

Highly Efficient &
Low Noise

Single Way or Two Way
Exhaust Fans

معیار اور جدت
ساتھ ساتھ

Features:

- ◆ Innovative Design With Pure Plastic Material.
- ◆ Energy Saving Exhaust Fan/ Easy To Install.
- ◆ 99.9% Pure Copper Winding.
- ◆ Double Action With Perfect Air Distribution.
- ◆ Low Price With High Quality.
- ◆ Reliable Motor Quality, Quiet & Efficient.
- ◆ Available with Different Sizes & Colors.

Highly Efficient &
Low Noise

Installation Process

1 Check The Hole According To The Dimension D & E

2

3

4

Tight The Screw With The Wall
According To Above Picture

5

Insert 2 Electric Wires Into
The Power Input According
To Above Picture(+)(-)
